**EXCLUSIVE TRAINING PROVIDER TO**

# WHO ARE WE?

The Advanced Skills Academy (TASA) provides specialised industry training for doctors, nurses, beauty and health related professionals wishing to advance their skills.

TASA has worked side-by-side Australian Skin Clinics for over nine years, providing essential training and support as it rapidly expanded to more than 50 clinics across Australia and New Zealand.

## FIVE REASONS TO BECOME A TRAINING CLIENT TODAY

- 1 Be rewarded with everyday low prices
- 2 Feel at ease in our highly supervised and simulated learning environment
- 3 We only use high-quality cosmeceutical products and medical-grade equipment
- 4 See real, visible results with a leading training provider
- 5 Support a student to complete the technical and practical training
